## Assembly Instructions

### Alexa bunk bed

#### Important

Please inspect all items carefully before assembling. If for any reason you need to return this item, you must return it in its original packaging.

**Assembled items cannot be returned.**

#### SAFETY WARNING

- All bunk beds and high beds intended to be assembled by someone other than the manufacturer or their representative shall contain assembly instructions a list of the parts supplied and details of any tools required to assemble the bed ;
- We recommend that you use the mattress at size:1900\*900\*160mm.
- All assembly fastenings should always be tightened properly and that care should be taken that no fittings are loose.
- Instructions regarding positioning and connection of the means of access;
- The ladder is not for playing on, only use to climb onto top bunk.
- We recommend only one person on the upper bunk at one time.
- Warning:**-The bunk bed or high bed should not be used if any structural part is broken or missing.
- The top of the mattress shall be at least 160MM below the upper edge of the safety barriers.
- Warning:**Children can become trapped between the bed and the wall  
To avoid risk of serious injury the distance between the top safety barrier and the wall shall not exceed 75mm or shall be more than 230mm".
- Warning:**"High beds and upper level of the bunk beds are not suitable for children under six years due to the risk of injury from falls".
- Warning:**"Bunk beds and high beds can present a serious risk of injury from strangulation if not used correctly. Never attach or hang items to any part of the bunk bed that are not designed to be used with the bed, for example, but not limited to ropes, strings, cords, hooks, belts and bags.
- The ventilation of the room is necessary in order to keep the humidity low and to prevent mold in and around the bed
- The manufacturer's instruction must be always followed
- EN 747-1&2:2012+A1:2015 TEST version
